WP(C) NO. 30701 OF 2004

Dated, this the 13th day of February, 2007

Petitioners approached this Court for a direction to the University to permit them to write the examination and this Court vide interim order dated 19/10/2004, permitted the petitioners to write the examinations subject to further orders with regard to publication of results. It is seen that petitioners were not qualified to write the seventh semester examination as they have not passed all subjects up to fourth semester. Learned counsel submitted that later some relaxation has been made by the University and even those who have not passed up to fourth semester can write the examination. If there is change of regulation, then I see no reason why the petitioners should be declined the benefit. This writ petition is disposed of directing the University to publish results, if not already done, in accordance with the current examination regulations.
